

# ENRICHMENT EXTRAVAGANZA

Nurturing knowledge      Cultivating compassion

EMORY UNIVERSITY • APRIL 24, 2012  
**PROGRAM AGENDA**

## MORNING PLENARY

*One size does not fit all: Taking individual differences into account  
in behavioral management practices for non-human primates*

**Dr. Kristine Coleman, Oregon National Primate Research Ctr, Beaverton, OR**

*Developing a Framework for an Environmental Enrichment Program for Laboratory Fish*

**Christian Lawrence, Children's Hospital, Boston, MA**

*Utilizing Environmental Enrichment as a Tool to Enhance  
Good Husbandry & Care for Rodents*

**Dr. Karen Froberg-Fejko, BioServ, Frenchtown, NJ**

*Poster Award Presentations*

## LUNCHEON

## AFTERNOON BREAKOUT WORKSHOPS

*Rabbit Enrichment* • Dr. Karen Froberg-Fejko, BioServ

*Cognitive Enrichment for Non-human Primates*

Dr. Jessica Crast, Yerkes & Dr. Bonnie Perdue, Georgia State University

*Enrichment for Mini-Pigs* • Michelle Salerno, Marshall BioResources

*Enrichment in Toxicology – Past, Present & Future* • Genny Andrews-Kelly, HLS

*Positive Re-enforcement Training for Swine to Improve Data Collection  
& Promoting Nature Behaviors in Sheep through Environment Enrichment*

Cindy Evans, Baylor College of Medicine

*Enrichment for Ferrets* • Michelle Salerno, Marshall BioResources

*Operant Training for Non-human Primates: How to Train for Research-related Behaviors*

Dr. Mollie Bloomsmith, Jaine Perlman & Jennifer McMilian, Yerkes

*Early Developmental Canine Socialization & Enrichment* • Dr. Kimberley Cohen, Covance

*Mouse Neurobehavioral Testing and Enrichment: Does Enrichment Affect Testing?*

Cathryn Coke-Murphy, Vanderbilt University

Program organizers: [The Enrichment Record & Yerkes National Primate Research Center](#)
